a 2-word phrase

(S)TOP OFF

Seven words in last week's grid had clues that didn't quite make sense. In fact, they only made sense if you removed the first letter from the entry, and only used the remaining letters. The removed first letters from all of those seven entries spelled STOP OFF which is indeed a 2-word phrase, however, you needed to follow the same pattern one more time, and remove the first letter. Therefore **TOP OFF** was our answer, and it fits the theme perfectly, as well.
